

Exclusive contemporary house with panoramic sea views in Tamariu — 1.675.000 €

In a privileged setting in Tamariu lies this magnificent contemporary house, built in 2019, which stands out for its modern architecture, spacious and light-filled interiors, and spectacular panoramic sea views.

The property consists of two structures—the main house and an independent annex by the pool area—designed to offer privacy, comfort, and a seamless connection between indoor and outdoor spaces.

The main house is laid out over two floors. The lower level features a stunning open-plan living area, anchored by an elegant Italian-designed fireplace. It includes an open-plan kitchen that integrates perfectly into the space and is equipped with high-end appliances. Large floor-to-ceiling glass windows provide a direct connection to the terrace and pool area, blending the indoors with the outdoors and maximizing the influx of natural light. This level also houses a guest toilet, a laundry room, and the technical area.

The upper floor is dedicated to the sleeping quarters, comprising a magnificent master suite with a full en-suite bathroom and spectacular panoramic sea views, along with three spacious double bedrooms and a shared full bathroom. All bedrooms open onto a beautiful wooden terrace, perfect for enjoying the surroundings and the views. This floor also provides access to an impressive 80 m² rooftop solarium—a prime spot for relaxing and taking in the Mediterranean landscape. Outside, the property features an expansive terrace area centered around a magnificent infinity pool—a perfect setting for enjoying the sun, tranquility, and sea views.

Integrated into the outdoor area, the independent annex includes a suite with a private bathroom on the lower level, offering guests both independence and comfort. The upper level houses a

spacious garage with room for two vehicles.

As for the quality and amenities, the house boasts high-end materials and finishes, with a strong focus on design and comfort. Notable features include microcement flooring, air conditioning, underfloor heating, and bathrooms equipped with Grohe rain showers—details that enhance both the functionality and overall quality of the property.

This is a bright, elegant, contemporary home where architecture, design, sea views, and a seamless connection between indoor and outdoor spaces combine to offer an exceptional living experience.

A home designed for those seeking privacy, comfort, and a Mediterranean lifestyle in one of the most desirable locations on the Costa Brava.
