Charming two-bedroom apartment just one minute from the sea. We emphasize that it features a spacious terrace in conjunction with a generous living-dining area, where there is the possibility of opening up the kitchen to create a more seamless ambiance. Furthermore, the master bedroom is quite spacious, boasting a built-in wardrobe and access to the terrace, which floods the room with an abundance of natural light. Continuing the tour, we find a second bedroom, perfect as a workspace or for guests. The bathroom is complete with a highly functional shower unit. The building offers an elevator and storage area, and there is the possibility of acquiring a parking space. An opportunity not to be missed!
