

**Investment opportunity in Palafrugell flat with long-term tenant and open views****115.000 €**

We present this charming flat located in a 2008 building, on a quiet second floor with east-west orientation, ensuring natural light throughout the day.

The property features a spacious double bedroom in suite format, with a fully integrated bathroom and direct access to a private balcony perfect for relaxing moments.

The daytime area is arranged in a bright and open space that combines the kitchen and dining area into a single, open-plan layout, with access to a second balcony offering pleasant open views.

Equipped with natural gas heating via radiators and double-glazed windows, the flat offers year-round thermal comfort. The building includes a lift with direct access to the flat, although it is currently deactivated.

Ideal for investors: the property is sold with the current tenant in place, with a contract in force since 2019. The tenant is reliable, punctual with payments, and without any incidents, making this an immediate, low-risk investment opportunity.

A functional, well-laid-out property with great potential ideal as a rental asset or future private residence.
