

Exclusive plot to build your home in Palafrugell

199.000 €

These plots represent a unique opportunity to create a fully customized home in one of the most authentic areas of Palafrugell.

A setting where Mediterranean light and the tranquility of the surroundings set the pace, inviting you to design a tailor-made home, conceived to be enjoyed every day. Here, every decision shapes a lifestyle: from spacious outdoor areas to functional and vibrant interiors.

The building regulations allow for the construction of a ground floor plus two additional levels, offering multiple possibilities to design a spacious, versatile home perfectly suited to your needs.

The location perfectly combines the charm of village life with close proximity to some of the most exclusive spots on the Costa Brava. With all amenities within walking distance and just minutes from the finest beaches, it offers the ideal balance between comfort, privacy, and connection with the surroundings.

A starting point to build not just a house, but a place of your own where memories are made and life is lived your way.
